## About the workshop

This online workshop aims to guide graduate and postgraduate students, early-career researchers, and educators in structuring their dissertations effectively. It will cover essential components, including formulating research questions, basics of writing, organizing chapters, and applying appropriate statistical tools for data analysis. Participants will gain knowledge in regard to research ethics, methodologies, citation management, and common pitfalls to avoid.

## About Maa Shakumbhari University

Maa Shakumbhari University, established under the Uttar Pradesh State Universities Act, 2019, aims to become a prominent center of higher education, fostering knowledge and development in Saharanpur and its neighboring regions. The university was inaugurated on December 2, 2021, and its campus spans 50 acres in Punwarka. With jurisdiction over Saharanpur, Muzaffarnagar, and Shamli districts, the university will benefit over 1.5 lakh students across hundreds of affiliated colleges. Committed to providing quality education and employment opportunities, particularly for women, the university aspires to create a vibrant academic environment aligned with the New Education Policy.

## About Society for AgroEnvironmental Sustainability

Society for AgroEnvironmental Sustainability is a not-for-profit organization registered in Dehradun under Societies Registration Act 21, 1860 of India. It works for the conservation of natural resources and environment with a focus on agro-environmental sustainability. It works collaboratively with other organizations and stakeholders to identify, develop and implement projects aimed at improving the environment and natural resources. It also works to promote sustainable agricultural practices, foster rural development, and protect the environment from degradation.
