1. कुलपति कार्यालय को मा० कुलपति जी के संज्ञानार्थ।
2. कुलसचिव।
3. परीक्षा नियंत्रक।
4. वित्त अधिकारी।
5. गार्ड फाइल।

उपकुलसचिव
(शैक्षणिक)

Respected Sir/Madam,

Greetings from **Shri Venkateshwara University, Gajraula, Amroha, Uttar Pradesh.**

We are pleased to invite your esteemed University/Institution, along with its faculty members, research scholars, academicians, professionals and students, to participate in the **ICSSR Sponsored National Conference on "From Vision to Viksit Bharat 2047: AI, Public Policy and Sustainable Development"**, scheduled to be held on **25th-26th September 2026** at Shri Venkateshwara University, Gajraula, Amroha, Uttar Pradesh.

The conference aims to provide a multidisciplinary platform for meaningful academic deliberations on the transformative role of **Artificial Intelligence, public policy and sustainable development** in realizing the vision of **Viksit Bharat 2047**. The conference will bring together academicians, researchers, policymakers, professionals, research scholars and students to share research findings, innovative ideas, policy perspectives and best practices.

We would be grateful if you could kindly **circulate the enclosed conference brochure among the faculty members, research scholars and students of your esteemed institution** and encourage them to actively participate in the conference.

The **conference brochure containing the detailed themes, registration information, important dates and other guidelines** is enclosed herewith for your kind reference.

We look forward to the participation and academic support of your esteemed institution in making this conference a meaningful and successful academic gathering.

Thanks and Regards,

Prof. (Dr.) Krishna Kant Dave

Vice Chancellor

Shri Venkateshwara University

About ICSSR

INDIAN COUNCIL OF SOCIAL SCIENCE RESEARCH
Ministry of Education, Government of India
The Indian Council of Social Science Research (ICSSR) supports and promotes research in the social sciences and facilitates the development of knowledge relevant to society and public policy. The present National Conference brings the social sciences into dialogue with Artificial Intelligence, governance, public policy and sustainable development.
The conference provides an interdisciplinary forum to examine how emerging technologies can contribute to:

- Good Governance
- Inclusive Development
- Social Justice
- Evidence-Based Policy
- Sustainable Development
- Responsible Innovation

The conference seeks to strengthen the interface between research, policy and practice in India's journey towards Viksit Bharat 2047.

About SVU

About the Conference

India's aspiration to become a Viksit Bharat by 2047, commemorating the centenary of its independence, represents a transformative vision of achieving inclusive economic prosperity, technological leadership, social equity, environmental sustainability and robust democratic governance. The realization of this vision demands a holistic approach combining innovation, evidence-based policymaking, institutional reforms and sustainable development.
Artificial Intelligence has emerged as one of the most transformative technologies capable of accelerating this national mission by enhancing governance, improving public service delivery, fostering innovation and promoting inclusive development.
AI is increasingly being utilized for policy formulation, predictive analytics, digital governance, healthcare, education, agriculture, disaster management, financial inclusion, urban planning and environmental monitoring.
The conference brings together academicians, researchers, policymakers, administrators, industry experts, legal professionals, civil society organizations, research scholars and students to deliberate upon the transformative role of AI in shaping India's developmental trajectory.

Conference Objectives

- AI FOR GOVERNANCE** — Explore AI's role in strengthening governance and public policy.
- AI & SDGs** — Discuss AI-driven innovations for Sustainable Development Goals.
- ETHICS & REGULATION** — Examine ethical, legal and regulatory dimensions of AI.
- HUMAN-CENTRIC AI** — Promote responsible, inclusive and human-centric AI ecosystems.
- POLICY FOR VIKSIT BHARAT** — Generate policy recommendations for Viksit Bharat 2047.
- RESEARCH & COLLABORATION** — Encourage multidisciplinary research and institutional collaboration.
- 02 DAYS | 06 THEMATIC AREAS | 04 TECHNICAL SESSIONS | 01 KEYNOTE | 01 PANEL DISCUSSION**

Programme

- DAY 1 | 25 SEPTEMBER**
- 09:00-10:00 Registration & Welcome Tea
 - 10:00-11:30 Inaugural Session
 - 11:45-12:45 Keynote Address — AI, Public Policy and Sustainable Development
